DOCKET FILE COPY ORIGINAL

I, Daniel M. Mack, certify that I am an officer of the company named above, and acting as an agent of the company, that I have personal knowledge that the company has established operating procedures that are adequate to ensure compliance with the Commission's CPNI rules. See 47 C.F.R. § 64.2001 *et seq.*

This letter is intended to explain company's procedures that are in place to ensure that the Millennium Telecom is in compliance with the requirements set forth in section 64.2001 *et seq.* of the Commission's rules.

Millennium Telecom is a small Non-Facility Based Reseller of the following services sold only to selected non-residential business pursuant to individual contract and is not offered to the public at large.

- Interstate, Intrastate, International and Toll Free Long Distance
- Private Line Point to Point Circuits
- Dedicated Interstate Access
- MPLS Circuits
- Conference Calling Services

Since before we began providing services our entire company staff has consisted of only two individuals. We together have reviewed the requirements of 47 C.F.R. § 64.2001 and have verbally communicated our policy of not using and not sharing any records of any kind that pertains to any type of service that we provide to our customers. This has in fact been our practice since our inception in 1999. Millennium Telecom achieved revenues resulting in a de minimus status until our first 499A filing in April 2007

Millennium does not directly provide any local dial tone or local voice services to our customers. We do act as agents for several Carriers and / or Local Exchange Carriers when business prospects require voice services we cannot provide directly through Millennium Telecom LLC. As agents for these commission sales we receive only commission income and do not keep or have access to any customer records in regard to these services.

Millennium Telecom will adhere to a policy that any employee or contractor for Millennium Telecom LLC will have their employment terminated as a result of non-compliance of this company policy.

Millennium Telecom LLC has not used CPNI nor have we sought customer approval of the use of CPNI since CPNI. Millennium Telecom LLC also has not used CPNI in any internal sales or marketing campaign.
